Dashboard

The screenshot shows the IBM Cloud Dashboard. At the top, there's a navigation bar with the IBM Cloud logo, a search bar, and links to Catalog, Manage, and the user's name (HARSHAVARDHINI B's ...). Below the navigation bar, the main content area is titled "Dashboard" and includes links to "Edit dashboard", "Upgrade account", and a prominent "Create resource" button. The dashboard is divided into several sections. The "For you" section features a grid of cards: "Build" (Explore IBM Cloud with this selection of easy starter tutorials and services.), "Monitor your apps" (Analyze logs and monitor application health with IBM Log Analysis and IBM Cloud Monitoring.), "Explore IBM Cloud Shell" (Try a command-driven approach for creating, developing, and deploying a web project.), "Monitor your resources" (Get visibility into the performance and health of your resources.), "Create and deploy an application" (Browse our starter kits, and then select one to jump start the process to create and deploy your app.), and "Visit the catalog" (Explore catalog service your business needs.). Each card has a "Getting started" button and a time estimate. Below the "For you" section, there are three more cards: "User access" (Manage users), "News" (View all), and "Planned maintenance" (Activate Windows). The "User access" card has a "Manage users" link. The "News" card has a "View all" link. The "Planned maintenance" card has a "View all" link. The "Activate Windows" card has a "Go to Settings to activate Windows" link.

Account Settings

The screenshot shows the IBM Cloud Account Settings page. The navigation bar is the same as the dashboard. The left sidebar contains a list of account-related settings: Account, Account resources, Resource groups, Cloud Foundry orgs, Licenses and entitlements, Tags, Dashboards, Account settings (selected), IBM Cloud Shell settings, Notification distribution list, Classic Infrastructure, Subscriptions, Audit log, and Company information. The main content area is titled "Account settings" and displays the following information: Account (HARSHAVARDHINI B's Account, ID: 89550f169b7545578b75ee83fc806d79), Account Type (Lite (Free)), and Account upgrade (Pay-As-You-Go). The "Pay-As-You-Go" section includes a description: "Add your credit card to unlock the full power of IBM Cloud with a Pay-As-You-Go account. You'll still be eligible for free runtime and service allowances, and you'll be charged only for paid services that you use." and a "Learn more" link. The "Subscription" section includes a description: "Get discounted pricing and increased billing predictability when you commit to a set amount of usage over time." and a "Learn more" link. The "Need help?" section includes a "Contact sales" link. At the bottom, there are two buttons: "Add credit card" and "Upgrade". The "Activate Windows" watermark is also visible in the bottom right corner.
